If you knew the end for you was coming...  
If you knew the date, time and place...  
Would you do anything to stop it?  
Would you tell anyone about it or just keep it to yourself?  
Would you be scared or accepting of it?  
Would your life fall apart because of it, or would you plan the rest of your time by it?  
Would your remaining days be changed by it?  
Would you be worried or relieved by it?
