SOMETIMES I THINK

Sometimes I think why can't I?
And then I think why not?
And then I think what do I do?
And then I think what do I need?
And then I think how much do I give?
And then I think how long does it take?
And then I think why do I persist?
And then I think when will it come?
And then I think why won't it come?
And then I think where did I go wrong?
And then I think why stay so strong?
And then I think why not carry on?
And then I think how much time has passed?
And then I think when will it come at last?
And then I think where is it?
And then I think did I truly believe?
And then I think why not go on?
And then I think what did I miss?
And then I think did I try hard enough?
And then I think why is it not here?
And then I think did I not do this right?
And then I think why continue this fight?
And then I think was I deceived?
And then I just think why?
